

**Maximum Entertainment Productions** is currently seeking a Production Stage Manager for a touring production of the hit holiday dance show, THE HIP HOP NUTCRACKER.

Position to start October 13 for rehearsals in Los Angeles, CA. Performances start on Saturday, November 6, 2021 in San Diego, CA and conclude January 2, 2022 in New Brunswick, NJ.

Seeking qualified PSM candidates who have experience with touring. Experience with dance is preferred but not required. There is no union jurisdiction for this contract. We are not seeking Assistant Stage Managers at this time.

Position requires some travel overnight in a sleeper bus; the company will tour to 30+ cities in the USA via bus and plane over the course of the tour.

Responsibilities include those as typically assigned to a Production Stage Manager, such as:

- Managing the rehearsal period and supervise the technical rehearsals;
- Ensuring the successful execution of the creative team's vision of the show, attending every performance, calling cues, and observing that the lightboard operator is successfully cueing the show per the lighting design;
- Lighting focus call during load-ins;
- Other industry standard duties, including hospitality (water, tea, first aid), sending performance reports to general management, etc.

Must be resourceful, extremely detail-oriented, have excellent people management skills and be able to think outside the box. Must be a problem solver and have a positive attitude.

Please send a resume and cover letter along with 3 references to Carl Flanigan, General Manager, Maximum Entertainment, via email to [MaximumHireMe@gmail.com](mailto:MaximumHireMe@gmail.com). No phone calls please.

Maximum Entertainment Productions is an Equal Opportunity Employer (EOE). We are committed to diversity in all areas of our work, on and offstage. We encourage applicants with a unique cultural perspective inclusive of race, ethnicity, gender identity or expression, class, physical ability and sexual orientation.

Salary: \$1,200 per week, plus per diem while touring.
